Respected sir,

Our school is committed to provide better and quality education to the poor students from the nearby villages and have good infrastructure as per CBSE norms. Our application for fresh affiliation was rejected due to some minor reasons and we have completed all the deficiencies. Our review inspection has also been done and the committee members have agreed and happy with all infrastructures but during the inspection, the principal Mr. Abhilash Cr was not well due to fever and was not able to interact with the members. The committee members Similar things. Had inquired about his qualification, previous experience, identification/Photo ID and other The documents though were shown to the committee members but were not uploaded as there was no specific tab for personal details nor the members allowed for the same. Hence, we are uploading all the details about the Principal and Staff on our website for access to the general Public as per CBSE directions.

Sir, we have make compliance of all the deficiencies as noted in IC rejection letter. Hope for grant of affiliation and ready to comply any other direction issued by the respected Board.
